Equality Information and Objectives

1. Characteristics and values of our schools

Longhorsley C of E First and Whalton C of E Primary Church of England Schools lie in rural Northumberland. Both schools are situated in small villages. They are both happy, caring schools where all children are nurtured and encouraged to reach their full potential.

Our Federation Schools' motto is: "Aspire, believe, achieve, to be the very best that we can be" for all pupils through our core values of love, forgiveness, honesty, trust, friendship and hope.

As Church of England schools the Christian ethos is central to the life of the schools' communities and this is threaded through our responsive curriculum.

Due to small cohort sizes we have some mixed age classes.

The school has data on its composition by sex, disability, ethnicity, disadvantages and special educational needs.

Our Federation Good Behaviour Policy and PSHE/RSE (Personal, Social & Health Education/Relationships and Sex Education) strategies support all of our children to achieve well and make good progress, academically, socially and as citizens of the wider world.

2. Aims

Our school aims to meet its obligations under the public sector equality duty by having due regard to the need to:

- Eliminate discrimination and other conduct that is prohibited by the Equality Act 2010
- Advance equality of opportunity between people who share a protected characteristic and people who do not share it
- Foster good relations across all characteristics – between people who share a protected characteristic (sex, disability, ethnicity, gender reassignment, religion/belief, sexual orientation) and people who do not share it

3. Legislation and guidance

This document meets the requirements under the following legislation:

- [The Equality Act 2010](#), which introduced the public sector equality duty and protects people from discrimination

- [The Equality Act 2010 \(Specific Duties\) Regulations 2011](#), which require schools to publish information to demonstrate how they are complying with the public sector equality duty and to publish equality objectives

This document is also based on Department for Education (DfE) guidance: [The Equality Act 2010 and schools](#).

4. Roles and responsibilities

The governing board will:

- Ensure that the equality information and objectives as set out in this statement are published and communicated throughout the school, including to staff, pupils and parents, and that they are reviewed and updated at least once every four years
- Delegate responsibility for monitoring the achievement of the objectives on a daily basis to the headteacher.

The equality link governor is Ms F. Ellis, who will:

- Meet with the designated member of staff for equality every year and other relevant staff members, to discuss any issues and how these are being addressed and report back to the governing body
- Ensure they're familiar with all relevant legislation and the contents of this document

The designated members of staff for equality, Mrs J Campbell and Mrs P Elliott, will:

- Support the head teacher in promoting knowledge and understanding of the equality objectives amongst staff and pupils
- Meet with the equality link governor every year to raise and discuss any issues
- Support the head teacher in identifying any staff training needs, and deliver training as necessary

All school staff are expected to have regard to this document and to work to achieve the objectives as set out in section 8.

5. Eliminating discrimination

The school is aware of its obligations under the Equality Act 2010 and complies with non-discrimination provisions.

Where relevant, our policies include reference to the importance of avoiding discrimination and other prohibited conduct.

Staff and governors are regularly reminded of their responsibilities under the Equality Act, for example during meetings. Where this has been discussed during a meeting it is recorded in the meeting minutes.

The school has a designated member of staff for monitoring equality issues, and an equality link governor. They regularly liaise regarding any issues and make senior leaders and governors aware of these as appropriate.

6. Advancing equality of opportunity

As set out in the DfE guidance on the Equality Act, the school aims to advance equality of opportunity by:

- Removing or minimising disadvantages suffered by people who are connected to a particular characteristic they have (e.g. pupils with disabilities, medical needs etc)
- Taking steps to meet the particular needs of people who have a particular characteristic (e.g. enabling Muslim pupils to pray at prescribed times)
- Encouraging people who have a particular characteristic to participate fully in any activities (e.g. encouraging all pupils to be involved in the full range of school activities including After School Clubs)

7. Fostering good relations

The school aims to foster good relations between those who share a protected characteristic and those who do not share it by:

- Promoting tolerance, friendship and understanding of a range of religions and cultures through different aspects of our curriculum. This includes teaching in RE, citizenship and personal, social, health and economic (PSHE/RSE) education, but also activities in other curriculum areas. For example, as part of teaching and learning in English/reading, pupils will be introduced to literature from a range of cultures.
- Holding worships dealing with relevant issues. Pupils will be encouraged to take a lead in such worships and we will also invite external speakers to contribute.
- Working with our local community. This includes being involved in and hosting village events such as Village Day, Whalton Show and Remembrance Services; inviting leaders of local faith groups to speak at worships, and organising school trips and activities based around the local community.
- Encouraging and implementing initiatives to deal with tensions that may arise between different groups of pupils within the school. For example, our school councils have representatives from different year groups and are made up of pupils from a range of backgrounds. All pupils are encouraged to participate in the schools' activities, such as lunchtime and after school clubs. There are events in the year such as Children in Need and Red Nose Day when the children are organised into 'families'. 'Families' are groups of children of mixed ages across the whole age range.

- We have developed links with people and groups who have specialist knowledge about particular characteristics, which helps inform and develop our approach.

8. Equality considerations in decision-making

The school ensures it has due regard to equality considerations whenever significant decisions are made.

The school always considers the impact of significant decisions on particular groups. For example, when a school trip or activity is being planned, the school considers whether the trip:

- Cuts across any religious holidays
- Is accessible to pupils with disabilities
- Has equivalent facilities for boys and girls

9. Equality objectives:

Equality Objective	Why have we chosen this objective?	To achieve this objective, we plan to....	Progress we are making towards this objective
All activities and educational visits accessible to all pupils	Some parents cannot afford to pay costs. Some children have specific needs which may prevent them from participating in activities/visits.	Pay/contribute to the costs for those children. Create social stories for these children to prepare them fully for the activities/visits. Staff support for these children.	Allocated funding. Social stories training. Trained support staff.

<p>All staff aware of individual children's needs (Quality First Teaching) and can support them in their learning.</p>	<p>There are many differing children's needs within the schools and staff are required to be adaptable and flexible as they move from class to class.</p>	<p>Update staff on children's needs in staff meetings and briefings. We also have a written pastoral file which all staff have access to and can contribute to.</p> <p>Staff are trained in a range of intervention strategies.</p> <p>External services sought in some cases for best advice.</p>	<p>Records made in staff meeting and briefing minutes.</p> <p>Pastoral file kept up to date.</p> <p>Read/Write Inc training.</p> <p>MAPA training</p> <p>OT/Psychological and Behavioural Support Services consulted and advice acted upon.</p> <p>Referrals (including health, education and social care) have been made to the West and Central Hub Teams for external specialist support.</p>
